

Helping Neighbors

If you've been a AAA member for any amount of time, you know that our organization is all about providing legendary service to our members. But we're also about giving back to the communities in which we live and work.

The needs are significant, and we are committed to doing our part to make a positive difference. Our MyClubCares Community

Impact Program provides financial, in-kind, and volunteer support for charitable causes. Through our annual giving campaign, our employees and our organization donate thousands of dollars to United Way. In addition, our employees are encouraged to use up to 8 hours of paid time each year to help local charities. I would like to share an example of how our dedicated employees volunteer in our community.

In May, a team of enthusiastic AAA employees from our claims, travel, and emergency roadside departments spent a day volunteering at Agassiz Village in Poland, Maine. Agassiz Village is a summer camp delivering transformative experiences to underprivileged youth from New England's largest cities. Our dedicated employees spent the day cleaning cottages, doing yard work, and building dozens of bunk beds to help prepare the camp for the summer.

We're proud to support employee volunteer efforts like this one. Last year, our organization paid employees for 1,010 hours of volunteer work. Helping our local communities is an important part of what we do at AAA. It's just another way that we're always with you *and* with your neighbors in need.

Eric J. Cyr

PRESIDENT
